Meeting room B 603 - how to find it

1. Just inside the main entrance, slightly to the left, take the lift, pushing button 5 [this is in fact 2 floors up, since ground floor = 3]. Otherwise, you could walk up 2 flights of stairs ...

2. Come out of lift at floor 5, turn left down corridor, just past toilets on your left, go up a short staircase, B603 is straight ahead.
